OVERVIEW

In this document, students will find the courses required for Ceremonial Magick Minor pathways at Raventree Academy, as well as a brief description about the foci of each Minor. A separate document outlines the requirements for the Ceremonial Magick Major pathway at Raventree. If you have any questions regarding requirements or are seeking general advice on courses to enroll in, please contact the Office of Student Affairs or Ceremonial Magick Office.

Students may not pursue a minor in their Major; that is to say, students who pursue a Ceremonial Magick Major cannot receive a Minor in Studies in High Magick as well. However, students may receive a Minor in the same Discipline as their Major, if they so choose to.

At Raventree Academy, a Minor consists of a minimum of 28 credits in total. Please note that Minors do not have general elective courses – Minors are firmly structured around a sequence of courses, as decided upon by faculty and curriculum staff. If you are seeking course replacements or alternatives, please contact the Dean of the Discipline of the Minor you are interested. Students are free to pursue as many or as few Minors as they wish at Raventree.

CEREMONIAL MAGICK MINORS

Overview: Minors in this Discipline focus on high magick and the evocation of spirits and demons. Studies in High Magick is designed for students who wish to gain a solid foundation in ritual and high magick, and explore the mystical arts of devotional magick.
